ABORTION

In our province we don't allow the Saskatchewan Automobile Dealers Association to determine whether a teenager has the mental capacity to drive.

Also, we would never let the Saskatchewan Hotel and Hospitality Association to set the legal drinking age.

Yet, parents have no say in whether or not their teenage daughter can have an abortion.

IF ELECTED, WOULD YOU SUPPORT LAWS THAT RESPECTED PARENTAL AUTHORITY BY MANDATING PARENT'S CONSENT SHOULD THEIR DAUGHTER REQUEST AN ABORTION?

In Saskatchewan teenagers cannot drive cars before they are sixteen, they cannot get married before they are eighteen, and they are prohibited from drinking alcohol until they are nineteen. But, a young girl of age fourteen can request and receive an abortion without her parents knowledge.

IF ELECTED, WHAT WILL YOU DO TO STAND UP FOR THE BEST INTERESTS OF OUR YOUNG GIRLS? WILL YOU SUPPORT A PARENTAL CONSENT FOR ABORTION LAW?
